

Digiphot

STUDIO

Event Photography Division

For all your Event Photography and Videography needs.
We never miss a moment.

*“ What I like about
photographs is that they capture
a moment that’s gone forever,
impossible to reproduce. ”*

- Karl Lagerfeld

Digiphoto Studio Event Photography Division offers professional on-site photography, videography and printing services for small and medium events.

The team at Digiphoto is highly experienced at capturing the atmosphere of corporate and social events. We appreciate that every client has a unique style and we cater for your individual requirements.

Benefits of working with Digiphoto Studio

- Premium videography and photography solution
- Male and female photographers available
- On-spot printing services
- Only a day's advance notice required
- 24 hr. availability

OUR SERVICES:

Social Events:

Birthday/ Fancy-dress/ Weekend/ Surprise Parties – Catch every exciting moment with our extensive party photography services. We capture the fun and joy of the occasion, as well as take portrait, group and food photographs so that you never forget the day.

Family Portrait – Digipfoto Studio is specialized in studio and portrait photography. Just walk in to any of our outlets and choose from our collection of colored backdrops for the perfect family portrait. Additionally, we also provide home and select outdoor portrait facilities for families.

Graduation Ceremony – Digipfoto Studio captures all the best moments from graduation ceremonies and get-togethers. We take portrait photographs of graduates and their families as well as on-stage photos of students receiving their degrees.

Baby Showers/ Anniversaries/ House Parties – Never miss a moment of a special day. We provide a number of photography and videography services for couples and families. At the party we cover the guests arriving, mingling, the main ceremony, pictures of the décor as well as family and group portraits.

Maternity Memories – Our lady photographer specializes in maternity photography. Her outstanding work for clients seeks to create beautiful, artistic, emotional and real memories.

Corporate Shoots:

Conferences - We offer a comprehensive conference service to include complete coverage of speeches, presentations and all major activities.

Ceremonies/ Exhibitions – We are fully equipped to produce a full PR photography service to include images of speeches, award presentations and exhibitions. When requested, awardees are able to receive a printed and framed copy of their photograph. In addition, we can provide group table photographs for the guests.

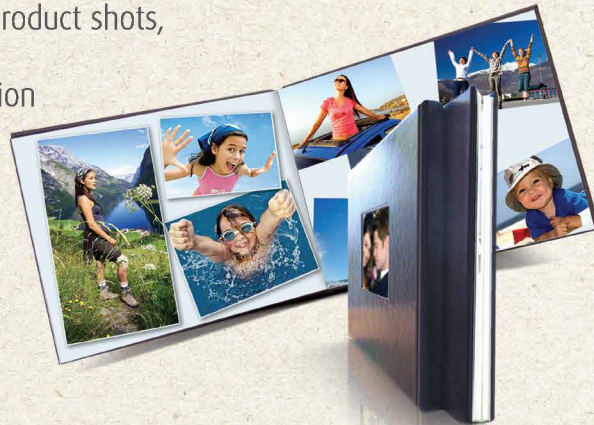

Corporate Receptions - Digipho Studio have experienced social and banqueting photographers. Custom backdrops can be provided and images captured of couples/groups on arrival at the event. Table photographs are also offered at all events. We take images of cocktails on arrival and atmospheric shots throughout the evening, including of speeches and presentations.

Additional Services

After-Event Mementos: We print high-quality photographs, as well as create customized folders, photo books and gift items of your favorite images.

Commercial Photography: Give your business a boost with our commercial photography services. We provide, on special request, photographers for shoots, including product shots, new launches and food photography. We ensure quality settings, composition and re-touching facilities. All our photos are optimized for print and digital use.
